NOTRE CONSEIL

Use the to access the competition venue.

Given the simultaneous organisation of various competitions in the Île-de-France region, large numbers of passengers are expected on public transport services. It is strongly recommended to plan sufficient time for your journey on public transport and to arrive on site at least 1h30 before the start of the session. As the venue is outdoors, we recommend bringing suitable clothing and accessories for the weather.

Buy your transport ticket(s) in advance to avoid queuing at the station.
