OUR ADVICE

Please check the entrance number on your ticket to access the competition venue. Your ticket gives you access to La Concorde for the entire day! You can enjoy the entertainment at the Urban Park before or after your session subject to the venue's opening times indicated **here**. Either way, it is strongly recommended to plan sufficient travel time and to arrive on site at least 1 hour 30 before the start of the session.

Please note that any exit is final. It will not be possible to leave and re-enter the Park during your session.
